- ☺ Boilermaker Walk presented by Slocum-Dickson Medical Group will be held Saturday, July 8, 2023
- ☺ Participants have the option of a three or a four-mile course
- ☺ Both Courses begin and end at the Utica Campus of Mohawk Valley Community College
- ☺ Registration for both walks is open

Boilermaker Walk Welcomes Presenting Sponsor Slocum-Dickson Medical Group

UTICA- Officials from the Boilermaker Road Race announced Slocum-Dickson Medical Group as the new presenting sponsor of the Boilermaker Walk, which will be held Saturday, July 8 at noon.

The newly-named Boilermaker Walk presented by Slocum-Dickson Medical Group returned last year as part of Boilermaker Weekend with over 300 participants after a four-year absence. Once again, walkers have the option of a three-mile or four-mile course, which will begin and end on the Utica Campus of Mohawk Valley Community College (MVCC).

“We’re pleased to partner with Slocum-Dickson Medical Group as part of the walk,” said Mark Donovan, president of the Boilermaker. “We recognize that not everyone may be physically ready or able to participate in either of our road races, and this event allows virtually everyone the opportunity to be a part of the Boilermaker experience. The walks present a great way for all to get out, get moving and continue their wellness journey.”

“We are excited to sponsor and participate in this year’s Boilermaker Walk,” said Dr. Harris, President of Slocum-Dickson Medical Group. “The walk allows Slocum-Dickson to continue its commitment to providing patient-centered quality care by allowing the community to attain the physical and mental health benefits of walking.”

After the start at MVCC, the walking courses will wind through TR Proctor Park (three miles) or FT Proctor Park (four miles) before returning to the MVCC campus. Registration for the walk is now open. Please visit www.boilermaker.com to register or for more information.

(File photo) More than 400 people participated in the 2023 Boilermaker Walk. Officials from the Boilermaker Road Race announced Slocum-Dickson Medical Group as the new presenting sponsor of the walk event, which features three and four-mile courses. The walks will take place on Saturday, July 8, 2023, from the Utica Campus of Mohawk Valley Community College. Anyone wishing to sign up for the walk can do so via www.boilermaker.com.

Recognized as the “Best 15K in the USA”, the Boilermaker Road Race is in its 46th year. The Boilermaker, a proud member of the PRRO Circuit, is the premier event of Boilermaker Weekend. The race consistently attracts elite runners from all over the world, including Olympians and world record holders, and features distance running’s most enthusiastic fans, as well as the sport’s best post-race party, hosted by The F.X. Matt Brewing Company. To register for other Boilermaker events visit the official Boilermaker website at boilermaker.com. Hotel accommodations and information about other local attractions can also be found on the site.

Slocum-Dickson Medical Group began in 1938 with three physicians. By consolidating their practices, they were able to realize the benefits of a physician-owned multi-specialty group practice to improve the quality of medical care received by the patient. Today, the Group employs over 50 physicians and several hundred staff members. As the group continues to expand, the focus is still on patient-centered, physician-directed, quality care.
